

GIGI

MENU

WELCOME

You are alive. Right now.

So act like it. Act fancy. Act kindly. Act without expectation.

Act like you mean it. Be silly. Be true.

Be full of contradictions.

Spend all your money on bellezza.

Wear it like it means nothing.

Tell everyone you would die without it.

Casually. Eat, drink, speak, sing, kiss, dress and
make a face like you're in love.

GIGI is for lovers. Not just love for food.

Love in all its most delicious forms.

6161 kinds of amore. And counting.

The kind of love that makes you unapologetic,
brave, irrational, make sense for the first time in your life,
beautiful, terribly sweet, sharp enough to draw blood, hungry
for purity and voraciously soft.

All at once. L'amore domina senza regole.

WELCOME
